## Appointments

are necessary for all visits with LJ Photography to ensure the best possible service. Your portrait session and viewing session will be set when you call. You may choose an in-person or online viewing session to make your selections. We will be happy to reschedule if you or your child become ill. We'd rather healthy, fever-free people come see us.

## Session Fee

We offer a *Maternity & Newborn Duo Session* for \$129. Your *Maternity* session should be about 1-2 months before your due date. Your *Newborn* session should be 0-14 days after birth in studio or in your home. Baby with Mom, Dad and favorite loves are included. Special packages are available.

When ordering in-person, half is due at your ordering session and half due upon pickup of your portraits. When ordering online, full payment is due upon ordering. Visa/Mastercard, Discover or mailing a check are all acceptable. No order will be delivered until the full balance is paid. Artwork beyond basic retouching may be additional, but you will know everything before you place your order--no tricks. All work guaranteed.
